INTRODUCTION

When it comes to your kitchen, it is best to utilize cooking appliances you need to save time in preparing your meals. From dinner on Friday to breakfast on Sunday, find the inspiration you crave and the items you need on the websites I have recommended to you!

If you love to bake, you will see lots of appliances, you can choose from in my APPLIANCE EBOOK. Whether it's a delicious batch of fortune cookies or chocolate hug cookies—an apple cinnamon cake or carrot cake —to produce scrumptious treat every single time. Mix up a delectable batter for chocolate chip cookies in minutes with options from KitchenAid and other appliances. Save time and impress your guests with beautifully made delicious pastries, soups, smoothies, icecream, porridge, cakes, etc.

So check out an array of dependable picks for your cooking space now. Whether you're just starting out, outfitting a brand-new kitchen, or just upgrading older items, QVC and HSN is the source for kitchen essentials. So update your culinary arsenal today. You (and your taste buds) will be glad you did!

1.VITAMIX BLENDER- 64 OZ

Photos

Heart49

The Vitamix makes the following:

- Smoothies
- Juices
- MilKs
- Nut Butters
- Dips & Spreads
- Soups
- Cleaning
- Frozen Desserts
- Food Prep
- Dressings
- Batters
- Flours
- Purees
- Doughs

Transform fresh ingredients into delicious seasonal favorites with the best-in-class 13-in-1 Variable Speed Blender from Vitamix. From daily meal preparation to soups, smoothies, and desserts--the Vitamix 7500 will have you juicing, chopping, and blending like a pro in no time. Best of all, it fits right under your cabinets, so it can stay right on the counter where you need it!

It's packed with power. Boasting an impressive 2.2 peak HP motor, this multifunctional blender features a combination of powerful performance and stainless steel hammermill blades. Blend juice from whole foods, cook soup from scratch without a stove, mix up smoothies, make ice cream, and more--all in a matter of minutes.

If you've always wanted a Vitamix blender, now is the time put one atop your countertop! Available in a wide array of colors, you're sure to find one to match your kitchen decor. And with an outstanding seven-year Limited Manufacturer's Warranty--now's the time to discover why hundreds of QVC customers have written 5-Star reviews in praise of their Vitamix blenders. Get yours and see what the fuss is all about!

3. NuWave Pro 8-in-1 Digital Oven with 7-pc. Baking Set

Heart47

FEATURES

Busy days and nights call for the NuWave Pro digital countertop oven. This 8-in-1 device helps you create all your favorite meals--bake, broil, barbecue, steam, grill, and more--all in less time, with less hassle than conventional cooking.

It's homemade meals made easy. The NuWave's innovative triple combo cooking--combining conduction, convection, and infrared--prepares food evenly, inside and out. Your dishes will turn out juicy and delicious, meal after tasty meal. You can cook all types of food at the same time, including meat, fish, vegetables, and potatoes. The NuWave lets you directly cook frozen foods, so there's no need to waste time de-frosting.

It's versatile, convenient, and oh-so easy. Just add your ingredients, set the power level on the Touch-N-Go panel and you're ready to broil, roast, grill, bake, barbecue, steam--or even dehydrate and air-fry! And, the bottom liner pan collects the fats and oils, so your meals are leaner and tastier.

Forget about having to tackle a huge pile of dirty dishes after every meal. Except for the power head itself, all the components of the NuWave are dishwasher-safe.

This offer also includes a red silicone baking set. With an 8" x 8" baking pan and six cupcake molds, you're ready to create delicious desserts for the whole family in no time.

From NuWave.

- Includes NuWave digital countertop oven, liner pan, wire cooking rack, extender ring, silicone baking pan, six silicone cupcake molds, quick and easy cooking guide, cookbook, and instructional DVD
- Broil, roast, grill, bake, barbecue, steam, dehydrate, and air-fry

4. GEORGE FOREMAN INDOOR GRILL

FEATURES

Countertop cooking has evolved. The Evolve grill combines five removable plates--two for grilling, two for waffles, plus one innovative bake pan--with electronic controls, a 500F searing function, and a timer to make it easier than ever to prepare your favorite recipes fast. The signature details you love, like a drip tray to collect grease and a nonstick interior for easy cleanup, make this unit a mealtime must-have. From George Foreman.

- Includes Evolve grill, two ceramic grill plates, two nonstick waffle plates, one 1.5" bake pan, one spatula, one drip tray, and manual with recipes
- 1440W total power
- 84-square-inch cooking surface
- 300F to 425F adjustable cooking temperature; 500F searing function
- Electronic controls
- Timer function
- Hinged lid
- Dishwasher-safe cooking grids

- Approximate measurements: Grill 15"L x 13-1/2"W x 5-3/4"H; Cord 24"L
- UL listed; 2-year Limited Manufacturer's Warranty
- Imported

For price and to view video on item, log into www.qvc.com

5. SLOW COOKER

NINJA 3-IN-1 COOKING SYSTEM

FEATURES

Enjoy your favorite meals fast with this versatile Ninja Cooking System. Offered in a selection of great colors to suit your decor, it's a 3-in-1 kitchen dynamo that replaces your slow cooker, stove top, and even your oven. Use it to quickly create countless meals--without sacrificing flavor or food quality!

Slow? No! With this unit, you'll enjoy one-pot meal making with speedier convenience. Prepare some of your favorite comfort foods in a fraction of the time. And, no need to defrost some foods--just pop them in the cooking pot from frozen and get started.

If you ever wished you had another burner handy when preparing large family meals, or wished you could bring your stovetop to the boat, RV, cabin, or tailgate party--here's your solution. This cooking system serves as a portable stovetop for simmering, sauteing, and even searing. Make sauces, soups, stir frys--you can even flip hamburgers using the included nylon spatula.

Yes, you read it right--it functions as an oven, too. A roasting rack with fork lifter set, baking pan, and loaf pan are included so you can easily dabble in all kinds of dishes, from roasts to casseroles to homemade breads.

Never wonder what's for dinner again. With the included cookbook, you can select from over 150 recipes--a selection of which take just 30 minutes--and put dinner on the table in no time! And with the selection of colors to choose from, you can enjoy quicker cooking and kitchen coordination at once.

From Ninja.

- Includes 6-quart cooking pot, domed lid, roasting rack, fork lifter set, multipurpose baking pan, loaf pan, nylon spoonula, nylon spatula, owner's guide, quick start guide, and 253-page cookbook with over 150 recipes
- Three-in-one cooking system replaces slow cooker, stove top, and oven; use to slow cook, sear, saute, simmer, bake, and roast
- Stove top function: low, medium, and high settings
- Slow cooker function: low and high temperature settings
- Oven function: temperature dial
- Auto warm/buffet function
- Dishwasher-safe cooking pot; accessories hand wash only
- Measures approximately 18"L including handles x 12"W including dials x 11-1/2"H; 25"L cord; weighs 11 lbs, 11 oz
- ETL listed; 1-year Limited Manufacturer's Warranty
- Made in China

For price and to view video on item, log into www.qvc.com

6. TURKEY DEEP FRYER

Prepare a turkey that'll have your family and friends gobbling up extra helpings! This Butterball indoor electric turkey fryer incorporates special features--like a space-saving design, thermostat temperature control, and venting on the back--to help simplify the frying process. So you can relax and enjoy the crisp, golden, delicious results without all the stress. From Masterbuilt and Butterball.

- 23011014 indoor electric turkey fryer
- 1650W heating element
- Fries up to a 14-lb turkey
- Drain valve
- Space-saving design
- Thermostat temperature control
- Venting on the back
- Stainless steel construction with chrome-coated wire cooking basket
- Measures 17-15/16" x 16-5/16" x 16-5/16"
- CSA listed; 90-day Limited Manufacturer's Warranty
- Imported

For price and to view video on item, log into www.qvc.com

7. EMERIL OIL CONTROL DEEP FRYER

Crisp cuisine. Achieve the perfect fry with this oil-control deep fryer. Equipped with an immersion heating element that maintains a perfect cooking temperature, it also features an integrated, automatic oil filtration system and an oil-change indicator, making it easy to clean, drain, store, and reuse your oil. From Emeril by T-Fal.

- Includes FR7015001 advanced oil-control fryer, basket, lid, filter, and oil storage container
- 2.65-lb food capacity
- Immersion heating element
- Integrated, automatic oil filtration system
- Digital timer
- Oil-change indicator light
- Measures approximately 19-1/8"D x 12-5/8"W x 16"H
- ETL listed; 1-year Limited Manufacturer's Warranty
- Imported

For price and to view video on item, log into www.qvc.com

8. KITCHEN AID FOOD PROCESSOR

Achieve gourmet results--and colorfully coordinate your kitchen--with the KitchenAid 9-Cup Food Processor. Thanks to its innovative ExactSlice technology, it allows you to easily adjust the thickness of both hard and soft foods at just the touch of a button. You can slice from thick to thin without removing the blade or turning off the device! And, equipped with a 3-in-1 Ultra Wide Mouth Feed Tube, this kitchen essential easily accommodates larger foods like cucumbers and potatoes, as well as smaller foods like herbs, nuts, and celery. Think of what you can make--and the time you can save!

The proof is in the precision. The versatile blades and discs handle all of your slicing, shredding, kneading, and chopping needs. Use the multipurpose blade for everyday mincing, mixing, and emulsifying. The reversible shredding disc helps you achieve both fine and medium cuts. Use the mini blade and bowl for smaller chopping tasks. A dough blade is included to help you make bread. And...fresh-cut fries, anyone? A special French fry blade makes mounds of fries in a jiffy--always a crowd favorite. It's also ideal for slicing other firm fruits and veggies like zucchini, carrots, and apples.

Altogether, it's a cut above--an incredible value and quite the workhorse. You know you'll use it every day. Now all you have to do is pick the perfect color!

From KitchenAid.

Includes:

- KitchenAid 9-Cup ExactSlice Food Processor
- 3-in-1 wide mouth feed tube
- 9-cup BPA-free work bowl
- 3-cup BPA-free mini bowl with mini blade
- Adjustable slicing disc; six settings from thick to thin
- French fry disc
- Multipurpose blade
- Dough blade
- Reversible shredding disc
- Disc adapter
- Clean touch control pad for easy cleaning
- 360-watt DC motor
- High, Low, and Pulse speeds
- Lid with Ultra-Tight Seal
- Approximate measurements: Processor 15-1/2"H x 10-1/2"L x 10"W; Cord 33"L; weighs 9 lbs
- Some assembly required
- Bowls, blades, and accessories top-rack dishwasher safe
- UL listed; 1-year Limited Manufacturer's Warranty
- Almond, Watermelon, and Cranberry colors are exclusive to QVC until 12/31/2014
- Imported

For price and to view video on item, log into www.qvc.com
